"NO! I CAN'T BE BOTHERED TO SEE ANY CRAZY SALESMEN- WE'VE GOT A BATTLE TO FIGHT!"

Wealth used for swords, spears and shields is obsolete. These soldiers will not survive. They are now liabilities.

Armed conflict is a "Come as You Are Party."
 So is the box business.

Why an Engico is a "Converting Center"

Flexo Folder-Gluer	Printed, scored, slotted, glued and folded boxes
Rotary Die Cutter	Printed and die cut blanks, 1 or more out
Printer-Slotter	Printed, scored and slotted flat blanks 1 out
Converting Center	All the above in a single machine

**Minimum Panel: 1 inch flat
 2 inches folded**

Minimum Sheet: 11 x 24

ENGICO 5 2010-06-15

Advantages of the Converting Center

Go from this  to THIS! 

Replace this	with THIS!
